

Project Part 2 - Storyboard

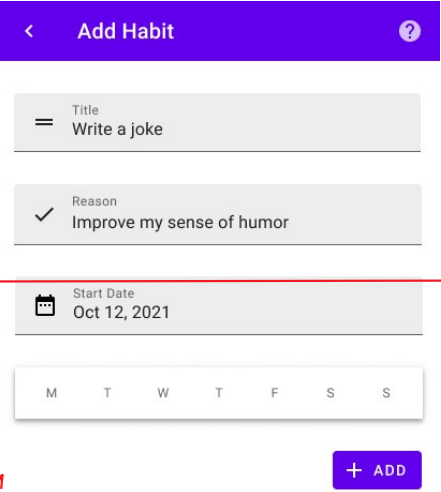

Can delete a habit by pressing "Delete".

Shows the doer all their habits.

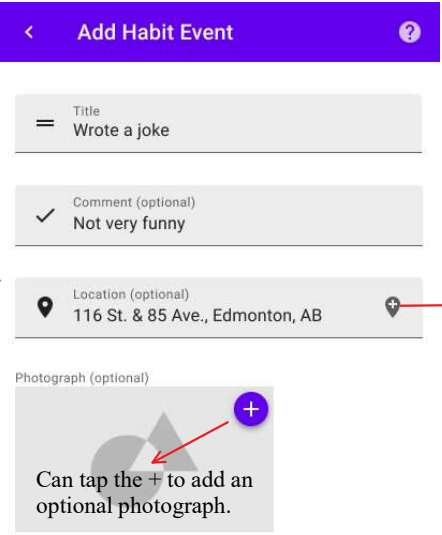

Habit tab is accessed by tapping "Habit".

Can add a habit, giving it a brief title, reason, and date to start.

Can select the day(s) of the week it should regularly occur.

The habit title and habit reason will be limited to 20 and 30 characters.

Accessed by tapping "Add Event."

Can denote a habit event when I have done a habit as planned.

Can add an optional comment that's limited to max 20 characters.

Can add an optional location to record where it happened.

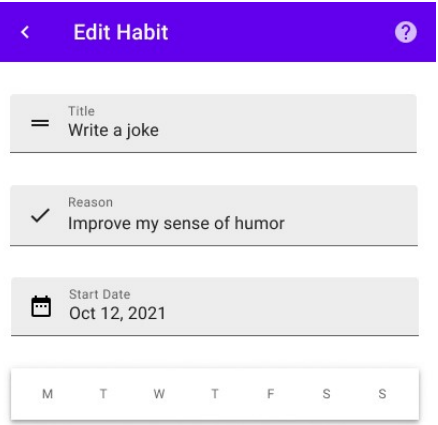

Can tap the + to add an optional photograph.

Reason
Improve my sense of humor

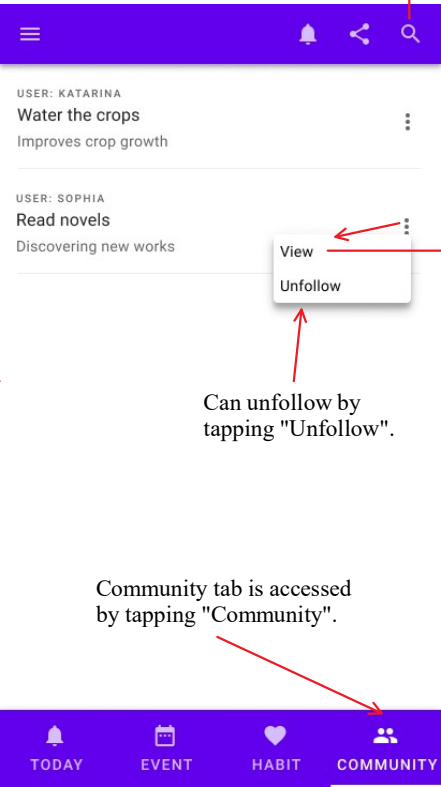

Can view a given habit and its details by tapping "View".

Can view a visual indicator to show how closely I am following its plan over time. Green means the habit is followed while red means the habit was missed.

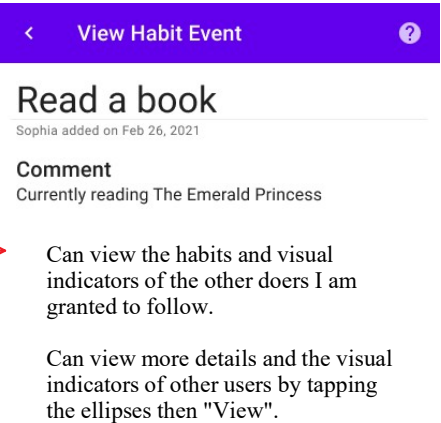

Can edit the details of a habit of mine by tapping "Edit".

Can edit any details on this screen then press confirm to save changes, or press the back arrow in the top left to cancel.

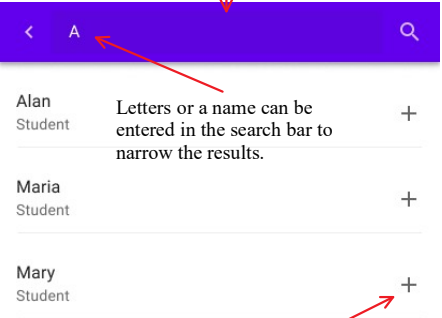

Can unfollow by tapping "Unfollow".

Community tab is accessed by tapping "Community".

Can view the habits and visual indicators of the other doers I am granted to follow.

Can view more details and the visual indicators of other users by tapping the ellipses then "View".

Letters or a name can be entered in the search bar to narrow the results.

Can ask to follow another doer by pressing the + next to them.

Each user will have a unique ID in the app.
