

Project Part 2 - UI

US 03.01.01

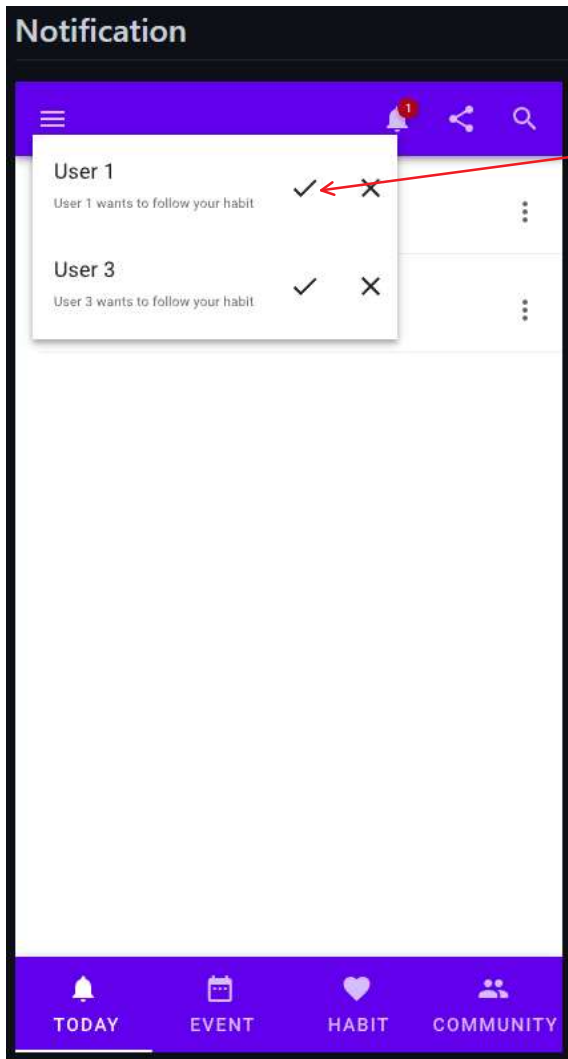

As a doer, I want to be uniquely identifiable in the system.

-- Each user will have a uniquely identifiable ID in the system

US 01.07.01

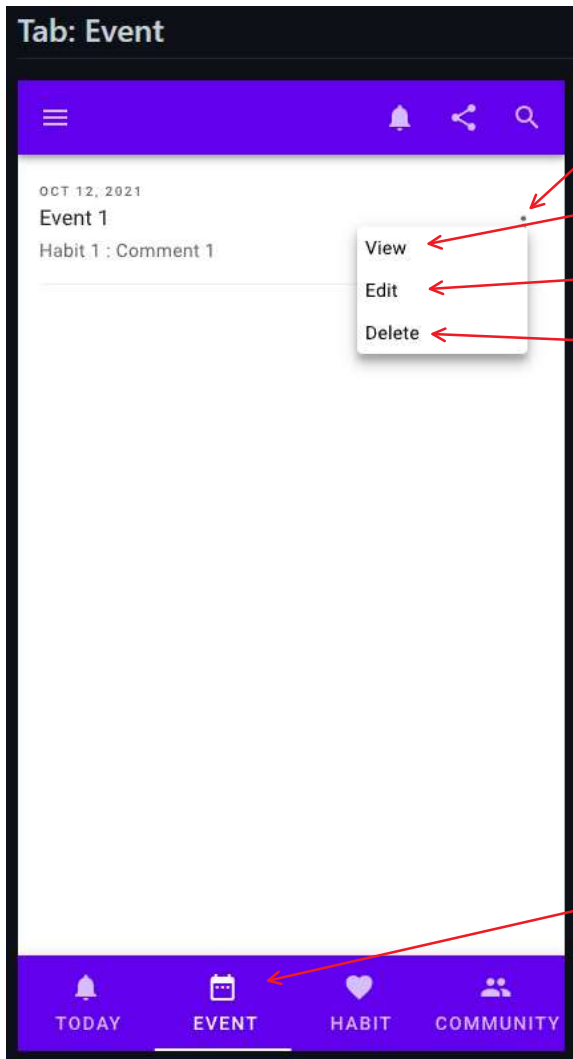

As a doer, I want to see what habits I need to do today.

Today tab is accessed by tapping Today

US 05.02.01

As a doer, I want to grant or deny another doer permission to follow all my habits.

Popup box is accessed by tapping an ellipses icon next to the event

US 02.04.01

As a doer, I want to view a given habit event and all its available details.

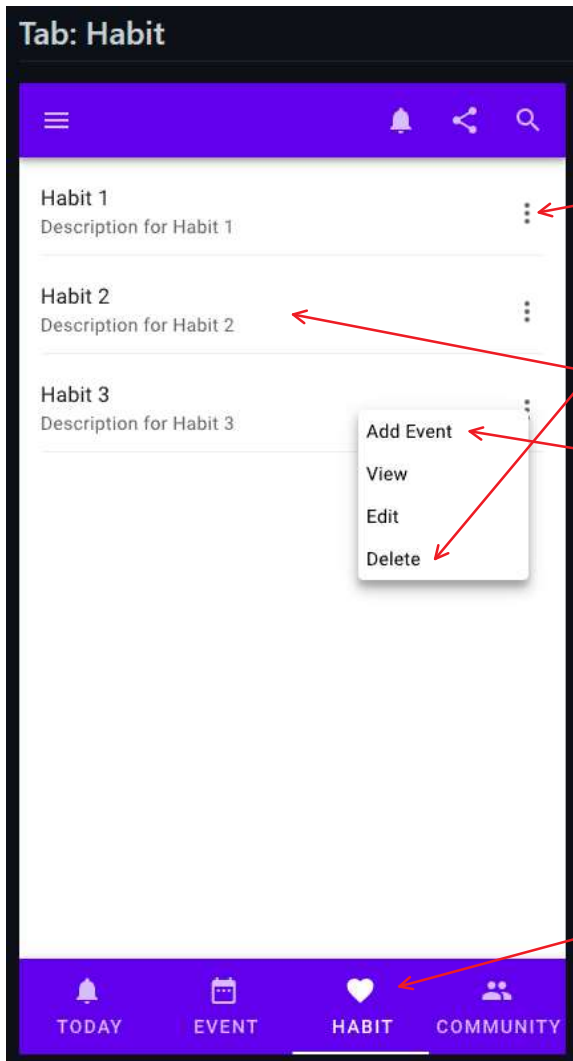

US 02.05.01

As a doer, I want to edit the details of a habit event of mine.

US 02.06.01

As a doer, I want to delete a habit event of mine.

Event tab is accessed by tapping Event

Popup box is accessed by tapping the ellipses icon next to a habit

US 01.05.01
As a doer, I want to delete a habit of mine.

US 01.08.01
As a doer, I want to see a list of all my habits.

US 02.01.01
As a doer, I want to denote a habit event when I have done a habit as planned.

Habit tab is accessed by tapping Habit

+ ADD

US 01.01.01

As a doer, I want to add a habit, giving it a brief title, reason, and date to start.

US 01.02.01

As a doer, I want a habit to have a plan for what days of the week it should regularly occur.

-- The doer can select the days on the bar for which days the habit should occur.

US 01.06.01

As a doer, I want a habit title to be up to 20 characters and habit reason to be up to 30 characters.

-- The habit title and habit reason will be limited to 20 and 30 characters.

+ ADD

US 02.02.01

As a doer, I want a habit event to have an optional comment of up to 20 characters.

US 02.03.01

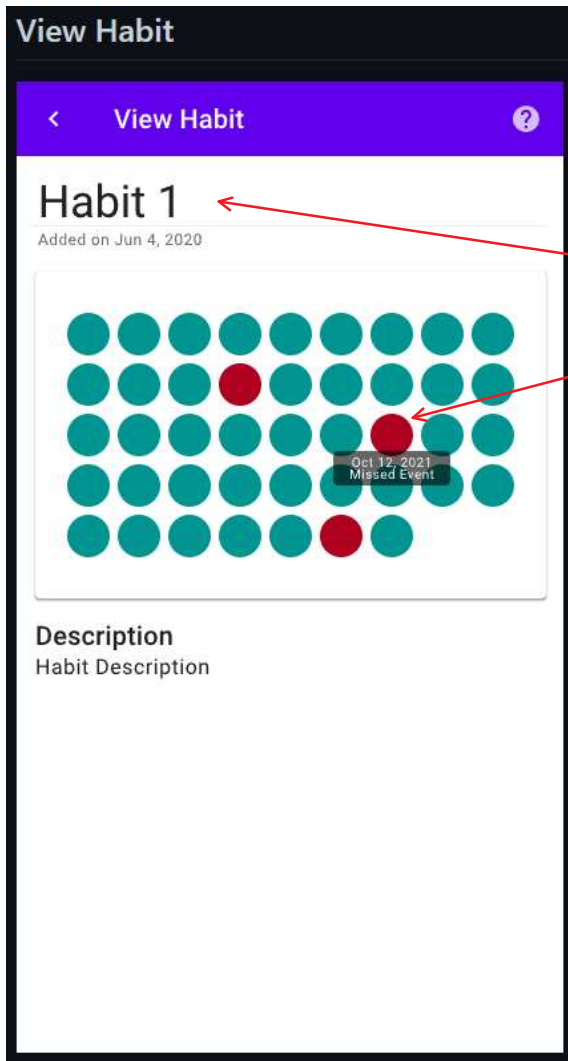

As a doer, I want a habit event to have an optional photograph to record what happened.

-- The doer can tap the + to add an optional photograph

US 06.01.01

As a doer, I want a habit event to have an optional location to record where it happened.

-- The doer can tap the location bar to add a location

US 01.03.01

As a doer, I want to view a given habit and its details.

US 01.09.01

As a doer, I want for each habit on the list, a visual indicator to show how closely I am following its plan over time.

-- Green means the habit is followed while red means the habit was missed.

CONFIRM

US 01.04.01

As a doer, I want to edit the details of a habit of mine.

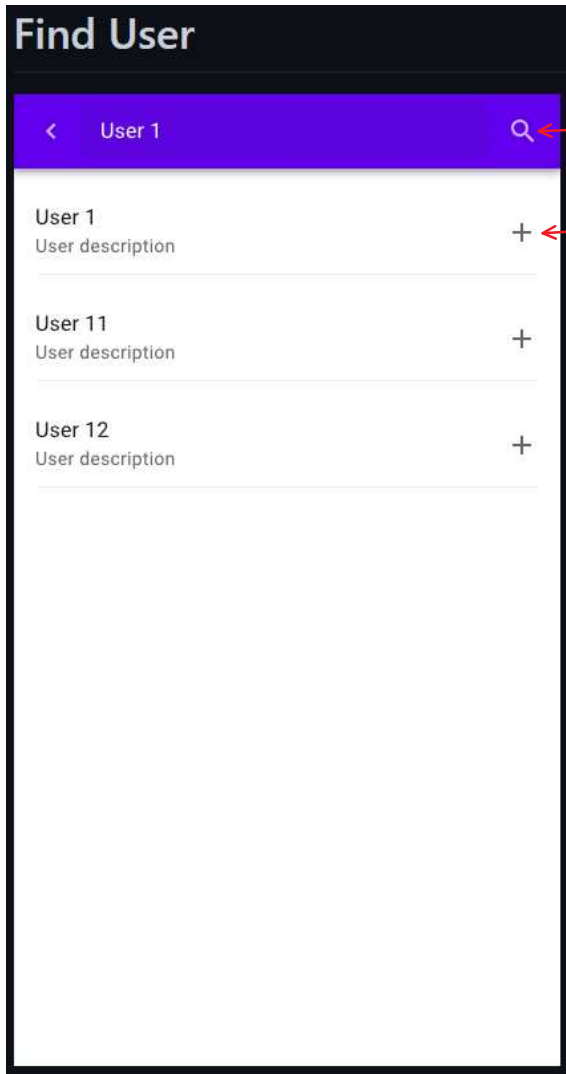

-- The doer can edit any details on this screen then press confirm to save changes, or press the back arrow in the top left to cancel.

US 05.03.01

As a doer, I want to view the habits and visual indicators of the other doers I am granted to follow.

-- The doer can view more details and the visual indicators of the other users by tapping the ellipses

The doer can open the search bar by tapping the magnifying glass. After searching a name they can press the + button to request to follow another doer.

US 05.01.01
As a doer, I want to ask another doer to follow all their habits.
